

How are we doing?

If you live in west Essex and are a parent/carer of a child who has received care from west Essex children's community healthcare services, the NHS wants to hear from you to help us improve services in the future. Scan the QR code below to take part in a short survey. It's free and anonymous.

Visit the [Hertfordshire and West Essex ICB website](#) for more information about west Essex Children's Community Healthcare Services
